shekharpal036@gmail.com

EDUCATION

Indian Institute of Engineering Science and Technology, Shibpur	2022-26
B.Tech in Electrical Engineering	CGPA: 7.27/10
Modern Academy , Lucknow	
ISC (12th Board)	2021-22 Percentage: 92.0
ICSE (10th Board)	2019-20 Percentage: 93.6

TECHNICAL STRENGTHS

Software & Tools	PSCAD, MATLAB, Simulink, LTspice, YOSYS, OpenSta , Qflow, Magic
Skills	Circuit Simulation, Power System modelling, VLSI design flow, Control System Simulation and Designing, Arduino applications,

PROJECTS

Microgrid Management Systems and Green edge data centers *(ongoing)*
modelled a real-world distribution network in PSCAD (professional power system tool)
Studied the effect and optimal placement of series and shunt capacitors

- A homer based study for Techno-economic assessment of renewable powered edge data centers in suburban Kolkata
- Our paper: Towards Net-Zero Edge Data Centres: Green Hydrogen Design Optimization via Entropy Weight and HOMER Analysis, was accepted for publication and oral presentation at CPEEE 2026 at Osaka, Japan

Fire-fighting bot *(2023-24)*
A bluetooth based smart phone controlled bot capable of detecting and extinguishing fire made using arduino(ATmega328P), bluetooth module HC-06, L298 motor driver, Relays and flame sensor.

INTERNSHIP

N.I.E.L.I.T CoE Noida – Internship in VLSI Design Flow 24th Jun -4th Aug, 2025

POSITIONS OF RESPONSIBILITY

Event Management Head at Sphuran-4.0(tech-fest EE) Jan,2026-March,2026
Associate Event Manager at Electrical Engineers' Society, IEST, Shibpur 2024-2025

SOFT SKILLS & HOBBIES

Strong communication- an indispensable skill that I developed from all my experiences, and working to improve it everyday

Leadership -led a team of 6 in our mini project , set an example for others to follow, motivated team and learnt new insights as a **leader**

Athletics- awarded as the *Athlete of the year* 2026, IEST, Shibpur.
